

JOIN OUR BOARD OF DIRECTORS

As a community-led Health Centre, the Pender Harbour Health Centre Society relies on our volunteer Board of Directors to support governance, help guide the strategic vision of the Health Centre and provide fiscal oversight.

This year, one of our long-serving Directors will be leaving our Board. We are looking to welcome a new Director with a finance and accounting background to our skilled and knowledgeable Board.

If you would like to influence health and wellness in your community, if you care about the future of your Health Centre, and you want to give back to your community, then joining the Board is a great way to support the future of the Health Centre.
